Detailed information about all of our plans is available on our website or by contacting us via phone/email. In the event that we design and create a custom plan to meet your needs, it will be written on your contract and will need to be selected. 50% of the setup cost of that plan will need to be paid before the work begins, and the remainder will be due upon completion of the work. By signing this contract you agree to the terms of service and to the acceptable use policy listed elsewhere in this agreement. You also agree to be responsible for the equipment provided. If the equipment provided is not returned on discontinuation of service, you will be billed the replacement value of the items not returned or damaged.

In the event that Fourway has to retain an attorney that is not our salaried employee, to obtain possession of its property or to collect any monies owed under this contract; the customer agrees to pay the reasonable attorney fee charged by that attorney as well as any court costs. **Fourway or its representatives are authorized to remove equipment provided upon termination of service. The replacement cost of the equipment is \$400.00 and will be owed if we are prevented from getting the equipment back and/or if the equipment has been damaged that isn't due to an act of God or Nature. Fourway No Worry Plan equipment is separate and covered on page 2. Please initial here that you understand these terms:**
